REPLY TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the Election of Species Requirement dated April 4, 2006, the following remarks are respectfully submitted in connection with the above-identified application.

REMARKS

The Examiner has required an election in the present application between:

Species 1, a method of fabricating a photocatalytic fluorescent lamp using an acid-type of anatase;

Species 2, a method of fabricating a photocatalytic lamp using a base-type of anatase;

Species 3, a method of fabricating a photocatalytic lamp by first mixing the chelating and Ti(OR) then adding water;

Species 4, a method of fabricating a photocatalytic lamp by first mixing the chelating and water, then doping with Ti(OR);

Species 5, a method of fabricating a photocatalytic lamp, the step of coating the anatase TiO₂ solution comprises coating the anatase TiO₂ on the glass before the lamp is fabricated; and

Species 6, a method of fabricating a photocatalytic lamp, the step of coating the anatase TiO₂ solution comprises coating the anatase TiO₂ on the glass after the lamp is fabricated.

For the purpose of examination of the present application, Applicants elect Species 2, with traverse. Claim 3 is directed to the elected species. As acknowledged by the Examiner, at least claims 1, 8 and 9 are generic.

It is respectfully submitted that it should be no undue burden on the Examiner to consider all claims in the single application. Moreover, because at least generic claim 1 should be in condition for allowance, this Election of Species Requirement should also be overcome and withdrawn.

In view of the foregoing amendments and remarks, favorable reconsideration and an early Notice of Allowance are earnestly solicited.

In the event there are any outstanding matters remaining in this application, the Examiner is invited to contact the undersigned (703) 205-8000 in the Washington, D.C. area.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to our Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under § 1.17; particularly, extension of time fees.

Dated: May 4, 2006

Respectfully submitted,

By
